b) The College will support its student ambassadors in arranging a yearly CSharp conference at the college.

c) The College will help its student ambassadors coordinate logistical aspects of the hackathons and training sessions, such as booking venues, setting schedules, and registering students.

d) The College will provide the necessary facilities, equipment, and internet access to support the smooth running of the hackathons and training sessions for CSharp through its student ambassadors

Intellectual Property:

a) Each Party shall retain ownership of their respective pre-existing intellectual property.

b) Any intellectual property developed during the hackathons and training sessions shall be owned by CSharp.

Confidentiality:

Both Parties agree to maintain the confidentiality of any confidential information disclosed during the course of this collaboration and not to disclose such information to any third party without the prior written consent of the disclosing Party.

Termination:

Either Party may terminate this MOU by providing a written notice of termination to the other Party at least three months prior to the intended termination date.

Governing Law and Jurisdiction:

This MOU shall be governed by and construed in accordance with the laws of the state of U.P., without regard to its conflict of laws principles. Any disputes arising out of or in connection with this MOU shall be subject to the exclusive jurisdiction of the courts located in India, U.P.

Entire Agreement:

This MOU constitutes the entire understanding and agreement between the Parties concerning the subject matter hereof and supersedes all prior negotiations, understandings, and agreements, whether oral or written, relating to the same.

IN WITNESS WHEREOF, the Parties have caused this Memorandum of Understanding to be executed by their duly authorized representatives as of the Effective Date.
